

Oliver Gang Spring Fling

April 9, 2016 - Auburn, Indiana

Rieke Park Lodge

We now have a Spring Fling planned for 2016, thanks to Larry and Hope Widner. It is going to be at the park that is right next to the Widner home, so for those of us that have been there it is going to be easy to find. For everybody else, it is still going to be simple. From I-69, take the Auburn exit number 329, and head east into town. When you come to the intersection of Indiana Avenue, you'll need to turn left. Head north about a mile and the park will be on the right side of the road. On the south end of the park is the Rieke Park Lodge, that's where everything will be going on. Everything will be indoors, so this will be a rain or shine event.

Flag raising will be at 9:00 am local time with coffee and doughnuts. A noon time meal with tenderloins, fish and home-made onion rings will be provided along with tableware and drinks for lunch will be provided. We do ask that those with last names starting with A-L bring a dessert and M-Z to bring a salad or side dish to pass.

The Oliver Gang Spring Fling also means election time for the club. We will be electing four board members at that time, and there will also be a board meeting and a general membership meeting in the afternoon. If you would like to help your Oliver Gang continue being the active chapter that it is, please consider running for a board position.

Bring some Oliver toys or other memorabilia, and pictures of your latest find or project. Mark your calendars now, and we'll see you in Auburn!
