Halloween means spooky ghosts and spirits! Join us and you'll get to see one of the best, The Spirit of Oliver! Doyle hosted our plow day in 2014, and he has been kind enough to invite us back for this year's Oliver Gang Halloween party.

If your last name starts with A-L, please bring a dessert, and last names M-Z please bring a salad or side dish. Pulled pork sandwiches and drinks will be furnished along with table service. There will be heat in the building... but please dress accordingly. If weather permits, there will be a hayride as well as a bonfire.

Directions: Doyle is located less than a mile north of the intersection of US 20 and Berkey Southern Road, on the west side of the road. This is approximately 15 miles west of the Toledo, Ohio area.
