

# Oliver Gang Harvest Party

**Saturday, November 17, 2018 starting at 4 pm**  
**Rain or Shine**  
**8020 Dutch Road, Waterville, Ohio 43566**

The Oliver Gang is trying something new for a fall get-together this year. In order to (hopefully) get past harvest season when more people can come, we are having a Fall Harvest Party instead of a Halloween party. Bev Fischer has kindly volunteered to have the party at her home near Waterville, Ohio, which is a few miles west of the greater Toledo area. Her farm is located near the traffic circle where Dutch and Waterville-Monclova Roads meet.

Sloppy Joes, hot chicken sandwiches, and drinks will be provided. Please bring a side dish/dessert to pass. Bev has several buildings including a heated barn so we will be able to get out of the weather to warm up, but please dress appropriately. If you have any questions, please give Bev a call at 419-290-5120.
